The murderer is...

1

Vincent was murdered!

Can you find out who did it? Read each suspect's clues and work out exactly where they stood. The murderer was alone with the victim, in the same room.

2

One person per row and column

As soon as you place someone...

...their whole row and column is blocked.

3

What does "beside" mean?

One tile to the left, right, above or below — and in the same room.
