

Treachery in the Knights' Hall

Difficulty: Hard

- 1 In row 1 everything is crossed out except R1/C5 – only Freya fits there, no other suspect and not the victim. Freya must be on R1/C5 – the only possible cell.
- 2 Exactly 2 people must be on a chair, and only that many can still be there – Bernd is one of them and must go there. Bernd must be on R6/C4 – the only possible cell.
- 3 Carol must be on R5/C2 – the only possible cell.
- 4 Anna must be on R4/C1 – the only possible cell.
- 5 Someone must be on a chair, and no one but Veit can still be there – so Veit must go there. The victim Veit remains on the last free cell R7/C7.
- 6 Exactly 2 people must be on a carpet, and only that many can still be there – Dylan is one of them and must go there. Dylan must be on R2/C3 – the only possible cell.
- 7 Edison must be on R3/C6 – the only possible cell.
- 8 Murderer: Bernd was alone with the victim in the Knights' Hall.

The murderer has been caught!
Here is where everybody was, and how to get there.

SOLUTION

The murderer is...

Bernd
