

The Last House Guest

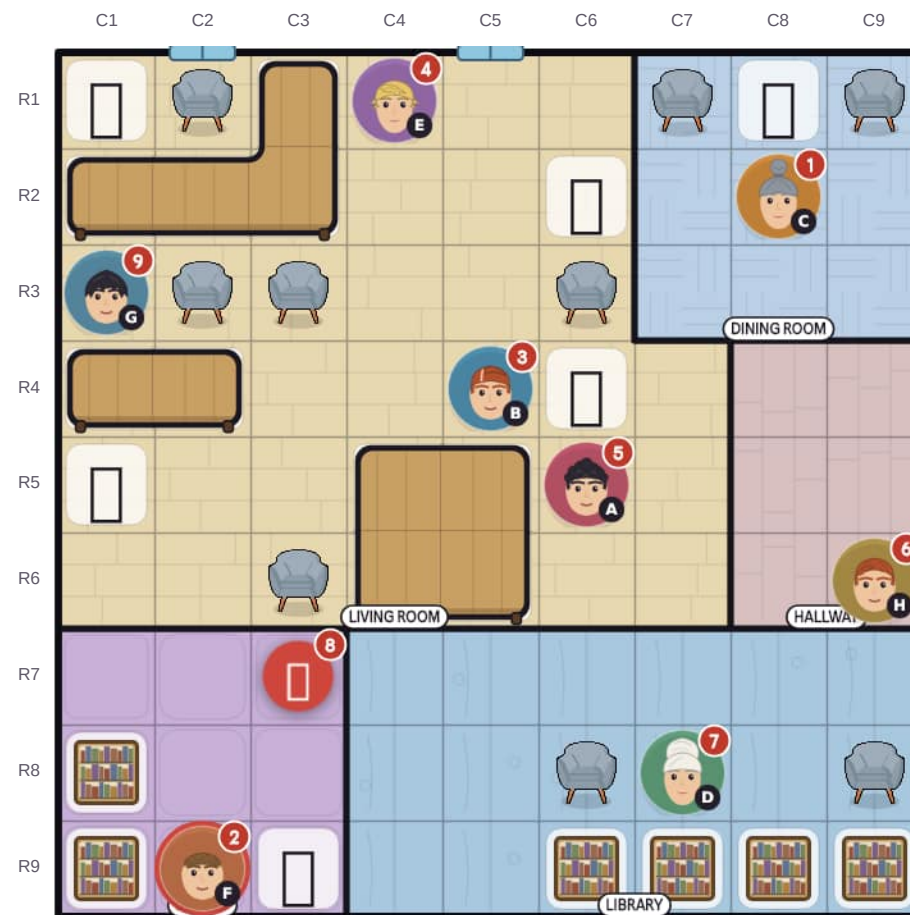

Difficulty: Hard

- 1 The allowed empty rooms are already fixed (0) – so Dining Room must be occupied, and only Clara can be there. Clara must be on R2/C8 – the only possible cell.
- 2 Apo & Björn & Heinz: only rows 4, 5, 6 possible – blocked for others. Franz must be on R9/C2 – the only possible cell.
- 3 In column 5 everything is crossed out except R4/C5 – only Björn fits there, no other suspect and not the victim. Björn must be on R4/C5 – the only possible cell.
- 4 Guido is south-west of Ella – impossible cells removed. Ella must be on R1/C4 – the only possible cell.
- 5 Björn needs someone beside the same plant – only Apo can be it, so they must go there. Apo must be on R5/C6 – the only possible cell.
- 6 Heinz must be on R6/C9 – the only possible cell.
- 7 Diana must be on R8/C7 – the only possible cell.
- 8 The Living Room already holds 3 suspects – the victim wasn't there (they were alone with the murderer). The victim Ozzy remains on the last free cell R7/C3.
- 9 Guido must be on R3/C1 – the only possible cell.
- 10 Murderer: Franz was alone with the victim in the Pantry.

The murderer has been caught!
Here is where everybody was, and how to get there.

SOLUTION

The murderer is...

Franz
