

Feathers, Fur and Foul Play

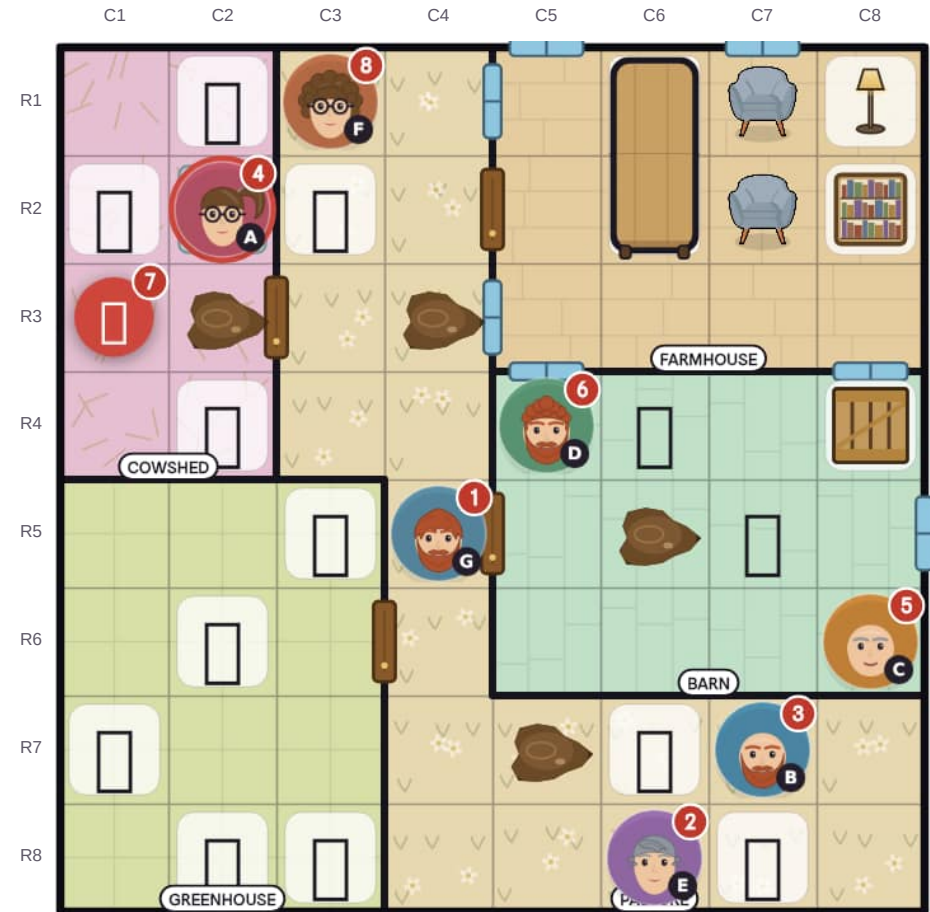

Difficulty: Medium

- 1 Bernd & Elsa: only rows 7, 8 possible – blocked for others. Grant must be on R5/C4 – the only possible cell.
- 2 Elsa must stand beside the same object (a pig) as another person – impossible cells removed. Elsa must be on R8/C6 – the only possible cell.
- 3 Elsa needs someone beside the same pig – only Bernd can be it, so they must go there. Bernd must be on R7/C7 – the only possible cell.
- 4 Someone must be beside a horse in Cyrus's room (Barn) – only R4/C5 can do that. The cell is certainly taken: the rest of its row and column is blocked, the cell itself only fits possible companions. Anna must be on R2/C2 – the only possible cell.
- 5 Cyrus must be on R6/C8 – the only possible cell.
- 6 In row 4 everything is crossed out except R4/C5 – only Dylan fits there, no other suspect and not the victim. Dylan must be on R4/C5 – the only possible cell.
- 7 The Pasture already holds 3 suspects – the victim wasn't there (they were alone with the murderer). The victim Viraj remains on the last free cell R3/C1.
- 8 Freya must be on R1/C3 – the only possible cell.
- 9 Murderer: Anna was alone with the victim in the Cowshed.

The murderer has been caught!
Here is where everybody was, and how to get there.

SOLUTION

The murderer is...

Anna
