The murderer is...

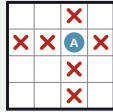

1 **Viola was murdered!**

Can you find out who did it? Read each suspect's clues and work out exactly where they stood. The murderer was alone with the victim, in the same room.

2 **One person per row and column**

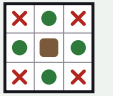

As soon as you place someone...

...their whole row and column is blocked.

3 **What does "beside" mean?**

One tile to the left, right, above or below — and in the same room.
